IMPROVE YOUR BASKETBALL SKILLS IN EXCELLENT AMERICAN FACILITIES WHILST DISCOVERING ONE OF THE WORLD'S LEADING CITIES

Welcome to Ardmore America's English plus Basketball program! Based at either our Boston City or New York City discovery centers, this program is aimed at both individuals and groups looking to learn and improve their English language, experience professional coaching, and view the city sights.

Students have the opportunity to receive expert basketball coaching whilst studying in America - the home of basketball. They will receive 6 hours of coaching per week, within 2 hour-sessions. This will allow them to focus on their skills and knowledge of basketball and greatly improve their English listening and speaking abilities.

The English plus Basketball program includes 15 hours of English lessons per week and at least two half days & one full day excursion per week, giving the students a great opportunity to discover either Boston or New York.
